

## Fundraising from home -

Ideas to raise money for Talitha Arts – from your armchair!!

**Talitha Coffee mornings** – how easy is it to put on a coffee morning? Gather friends and family for cake and coffee one morning a month during our Anniversary year, and invite a donation for the pleasure of sitting, chatting, drinking and eating!

**Talitha Art-ex** – calling all artists out there. Are you painter? Or an exhibitor? Align your exhibits to the work of Talitha Arts by advertising online or at viewings that you will be donating a percentage of any painting sold, to Talitha Arts. If you decide to do this, we will come up with a branded, laminated sign for you to help promote it.

**Arts and Crafts** – are you a creative who makes their own handcrafts... jewellery perhaps? If you sell these products at craft fairs, maybe you could boost sales by placing a card on your table stating that a percentage of income from sales will go to the work of Talitha Arts.

**Cycle for Talitha** – how about a sponsored cycle? If you cycle anyway, perhaps you could invite friends and family to sponsor you per mile on one of your rides.

**Talitha meal-times** – ask us to send you one of our collection boxes and every time you have an evening meal, collect the change from your pockets and put it in the box. As it grows, so does our ability to meet the demands being placed on our Arts Practitioners.

*Talitha collection box for your home...*

**Walk for Talitha** – are you part of a walking group? Or maybe a Nordic walking group? Why not walk for Talitha one day, maybe collecting a modest walking fee from everyone in the group, to support the work? Walking with purpose could be one way of supporting our work.

*Photo from our Walk for Justice 2019*

**Talitha Dinner party** – who's for a black-tie dinner? Why not work with a local youth organisation or church youth group which cooks and serves you a scrumptious, 3 course meal in a friend's house or local venue? And charge for the privilege – proceeds to Talitha Arts.

**Talitha bake-off** – if you have school-children or grand-children, why not encourage them and their school to get involved with a bake-off. Cookies, brownies, or cakes always sell well at school and church fetes, or even at break times.

**Quiz night** – for the more adventurous among you, why not organise a quiz night at your sports club or local pub – or even at your home!! We will provide branded question sheets. Charge per individual or per table and maybe run an auction alongside it.

## What to do next...

Once you have decided what you would like to do, please get in touch with [alastair@talitha.org.uk](mailto:alastair@talitha.org.uk) and let him know.

He can send you some Talitha flyers, which explain further the work of Talitha Arts. He can also send you a collecting box for your home, or a branded sponsorship sheet for neighbours to support your chosen endeavour. He could even attend your event if you need someone to speak from the charity.

Thank you for your support.
